

USD 395 SCHOOL DISTRICT

RETURN TO LEARN PLAN

The purpose of this draft is to provide a framework for how USD 395 School District will respond to the COVID-19 pandemic and its impact on the educational program at USD 395 School District during the 2020-2021 school year. The framework is structured using tiers in order to allow the district to be nimble and responsive to changing public health circumstances. The presence of a formal plan will also support the district in articulating its plan for this fall in a clear, comprehensive, and transparent manner.

***Anyone that has been tested for COVID-19 will not be allowed to enter USD 395 facilities or attend events, until a negative test result or quarantine time has been met.**

USD 395 will have a three tiered system for determining the appropriate and safest manner for providing direct education to our students. The three tiers are Tier 1: On Site, Tier 2: Hybrid, and Tier 3: Remote Learning Environments.

Tier 1: On-Site Learning Environment - Students and staff attend on site with enhanced and mandatory health and safety protocols put in place. This will be implemented when there are low levels of community restrictions.

Tier 2: Hybrid Learning Environment - Students spend part of their time in the classroom and part of their time learning remotely. Students may be targeted for stable groups and asked to attend on site in a controlled environment while also doing remote learning. This phase may be implemented when there are moderate to high levels of community restrictions.

Tier 3: Remote Learning Environment – Students receive their learning remotely by USD 395 teachers. This is the most restrictive situation, implemented at a single school, multiple schools, or entire district when there are high levels of community restrictions.

Parent Choice Off-Site Learning is available as an option for USD 395 families. This is the option for families who do not wish to have their child(ren) attend on-site.

Please schedule a meeting with the building administrator.

Confirmed Case in a building, regardless of community transmission – All Phases

1. Identify staff/students to be sent home to self-isolate to allow time to coordinate with local health officials.
2. Close building/ area of a building for a short period of time to clean and disinfect. This closure may include all extracurricular activities.
3. Allow for contact tracing to occur by county health officials with support from the school.
4. Communication will be made as to when operations will resume.
5. In such a situation, it is critical to maintain confidentiality of the student or staff member as required by the American with Disabilities Act and the Family Education Rights and Privacy Act.

School Decision Tree

All Schools Regardless of Community Spread

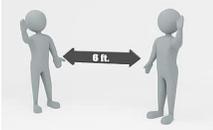

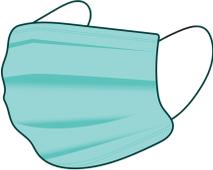

No Community Spread

Minimal to Moderate OR Substantial Community Spread

All Phases - Staff and Students should stay home when ill.

<p>All actions are required by KS Executive Order 20-59.</p>	<p style="text-align: center; color: red;">Physical Distancing</p> 	<p style="text-align: center; color: red;">PPE (Personal Protective Equipment)</p> 	<p style="text-align: center; color: red;">Health Screening</p> 	<p style="text-align: center; color: red;">Hygiene Measures</p>

<p style="color: blue;"><u>Tier 3</u></p> <p>*Remote Learning Environment</p>	<p>NO IN-PERSON INSTRUCTION</p> <p>REMOTE LEARNING ENVIRONMENT FOR ALL</p>			

Tier 1: On Site Learning

Instruction: Students and staff return to on-site learning with parent choice remote learning made available for students. Health and safety precautions are in place.

Students with Exceptionalities: Students who are medically able and willing to return to school receive their typical support and programming. Support will continue for students with special needs or are medically vulnerable who need to remain in home learning.

Health and Safety Precautions: Physical distancing as feasible implemented with in-person instruction in classrooms, and six-feet distancing with infrequent or incidental moments of closer proximity at all other times. Face coverings are required for staff and students with noted exceptions. Temperatures will be taken for staff and students upon entering the building/loading the bus for the day, and must be **below 100.4** to enter or remain on campus. Hand washing/sanitizing takes place upon entrance of buildings, cafeteria, and at regular intervals, no less than once every hour on an hourly basis throughout the day.

Classrooms: Arrange furniture to have all students face the same direction, when possible. Students will be assigned seats. The sharing of school supplies/materials will be limited to the greatest extent possible. Hand sanitizers or soap will be available in classrooms.

Common Spaces: Access to these areas will be limited to students, staff, and essential personnel. The number of students in office spaces will be limited to maintain physical distancing. Hand sanitizing stations will be available in these areas.

Transitions: Reduce the use of lockers when feasible. Minimize students traveling between buildings and/or classrooms.

Extra and Cocurricular: Maintain an attendance roster for activities that take place. Use appropriate precautions based on the activity. Follow USD 395 District Guidelines developed from KSHSAA.

Food Services: Breakfast and lunch will be made available for students and be served in the cafeteria. Physical distancing will take place with additional outdoor seating, when possible.

Transportation: Normal service will be provided to eligible students. Face coverings will be required as outlined in KS Executive Order 20-59. Temperature checks will take place as students load the bus for the morning route. Temperature must be **below 100.4** to load the bus. Please stay with your student until they have been approved for boarding.

****Temperatures will not be taken without a mask.**

Tier 2: Hybrid Learning

Instruction: Students are targeted for on-site learning in stable groups in a controlled environment while also engaged in remote learning through the use of district, student-issued devices.

Students with Exceptionalities: Special education services will be provided consistent with each student's participation in hybrid learning. Individual plans are put in place for students who are immunocompromised and for families who choose to keep their students in online instruction.

Health and Safety Precautions: Physical distancing as feasible is implemented with in-person instruction in classrooms, and six-foot distancing w/ infrequent or incidental moments of closer proximity at all other times. Face coverings are required for staff and students with noted exceptions. Temperatures will be taken for staff and students upon entering the building/loading the bus for the day, and must be **below 100.4** to enter or remain on campus. Hand washing/sanitizing takes place upon entrance of buildings, cafeteria, and at regular intervals, no less than once every hour on an hourly basis throughout the day.

Classrooms: Students and staff will be scheduled for targeted, stable groups to attend on-site and will have limited access to the building. Arrange furniture to have all students face the same direction, if possible. Students will be assigned seats. The sharing of school supplies/materials will be limited to the greatest extent possible. Hand sanitizers will be available in classrooms.

Common Spaces: Students and staff targeted to attend on-site will have limited access to the building. Movement will be limited within specific areas. Students and staff will maintain social distancing of six feet. Hand sanitizing stations will be available in these areas.

Transitions: Students and staff targeted to come in will have limited transitions from one area of the building to another.

Extra and Cocurricular: All USD 395 activities and events may be canceled and/or postponed.

Food Service: Food Distribution will be provided in the safest possible manner.

Transportation: Limited Services for identified students. Face coverings will be required as outlined in KS Executive Order 20-59. Temperature checks will take place as students load the bus for the morning route. Temperature must be **below 100.4** to load the bus. Please stay with your student until they have been approved for boarding.

****Temperatures will not be taken without a mask.**

Tier 3: Remote Learning

Instruction: During Tier 3 USD 395 buildings may be closed or have limited access. All learning is conducted remotely through the use of district, student-issued devices. Students engage in school online during regular school hours and follow a standard school schedule with daily contact being made by staff via video conferencing (Zoom or Google Hangouts).

Students with Exceptionalities: Teachers of students with special needs work virtually with them. ICLPs will be developed.

Health and Safety Precautions: All USD 395 buildings are closed to all but essential staff. Those identified as essential staff will maintain physical distancing of six-feet w/ infrequent or incidental moments of closer proximity while performing job duties. Face coverings are required for staff with noted exceptions. Temperatures will be taken for staff upon entering the building for the day, and must be **below 100.4** to enter or remain on campus. Hand washing/sanitizing takes place upon entrance of buildings at regular intervals, no less than once every hour on an hourly basis throughout the day.

Classrooms: All USD 395 buildings are closed to all but essential staff, and all learning is conducted remotely.

Common Spaces: All USD 395 buildings are closed to all but essential staff, and all learning is conducted remotely.

Transitions: All USD 395 buildings are closed to all but essential staff, and all learning is conducted remotely.

Extra and Cocurricular: All USD 395 activities and events are canceled and/or postponed.

Food Services: Food Distribution is provided curbside.

Transportation: No services are provided.

(USD 395 Board of Education and administrators will determine essential staff.)
