

2025 BTI AG SCHOLARSHIP

Bucklin Tractor & Implement has been a family owned John Deere dealership for over 80 years. We are honored to continue supporting local high school seniors who are pursuing a future in agriculture. Winners will be awarded \$1,000 scholarships paid to their educational institution.

Eligibility

- Current high school senior residing in Kansas
- Cumulative GPA of 3.0 or higher
- Pursuing a career in an ag-related field
- Students accepted for sponsorship in BTI's Ag Tech Program are not eligible

Timeline

- Applications open January 22, 2025
- Applications will close March 25, 2025
- All applicants will be notified by April 15, 2025
- All winners will receive award certificates prior to graduation.

1 Write the essay

Throughout BTI's 80 years in business, we have valued **high integrity, ethical standards and a strong commitment to our families and communities.** Scholarship applicants will submit a 500–700 word essay articulating how they've demonstrated the above qualities in their own life. The essay should also include an explanation of their future plans in agriculture and how they will continue to demonstrate these qualities moving forward.

2 Gather your additional documents

In addition to the essay, applicants will need to submit:

- One letter of recommendation. (This can be from a teacher, counselor, coach, mentor or employer).
- A professional quality photo (for example: a senior picture).
- A current resume.

3 Submit your application online

Applications can be submitted at:
<https://www.btiequip.com/~2025-scholarship> by 11:59PM on March 25, 2025.

*We recommend having all of your documents ready prior to beginning the application.

4 Selection process

Once applications close, all identifying information will be removed from submissions prior to review. Selections will be made anonymously by our internal scholarship committee.
